Enjoy the beautiful Kansas rolling HILLS back drop while you take in the beauty of Melvern Lake. The 6 mile option is all pavement and is relatively flat with the exception of one HILL(you can do it). Have the option to bike, walk, or run the 6 mile course. With the help of our amazing sponsors and donors we are having the bib raffle again this year!!

Last year's top prize- a kayak, paddle, and life jacket!

This event is unsupported but will have a few watering holes along the route.

Packet pick up 9/30/2022 at Melvern Lake Marina during normal business hours, check their Facebook page, or morning of race at registration table starting at 7am and up to your race time.
